Dear Friend,

We are requesting your financial support on behalf of Empire United Community Assistance.

After a yearlong battle with colon cancer, Mike Schambach, 38, passed away on June 14, 2018. Mike was one of the founding players of the Empire United Soccer Club that was established in 1999. He led the team to many GSSL titles, but most importantly, would easily be considered by everyone he played with to be their favorite teammate of all time. Mike leaves behind wife Lindsay, son Cameron (4), and daughter Chloe Michelle (2 months).

With the loss of such an extraordinary person, please consider sponsoring the 1st Annual Mike Schambach Soccer Tournament. 100% of net proceeds will go to Mike's family. The event will be held on July 28, 2018 at Hillsborough Municipal Soccer Complex – 379 South Branch Road, Hillsborough.

Not only will the event include an adult soccer tournament but will also have family fun for all ages including children's entertainment, a basket auction, and food.

Please consider becoming a sponsor for the event with a monetary donation or donation of items for the basket auction.

Sponsorship levels include:

Event Sponsor logo to be displayed on Soccer Jerseys, Field Sign, Literature and Banner....\$1,500

Field Sponsor to include logo on Field Sign, Literature and Banner....\$500

Donate money towards food or provide food products. Logo displayed at food station....\$250

Provide Basket Auction Item includes logo on the Basket Auction signage and Literature

Thank you for your consideration.
